

# WEST LANCS COUNTY SCOUT COUNCIL

## 2008 COUNTY RALLY

Invite all Scouts to  
County Rally New Century Camp  
at Waddecar Scout Camp  
16<sup>th</sup> to 18<sup>th</sup> May 2008

My fellow Scouts,

On behalf of the West Lancashire Scout Council you are invited to gather with all Scouts from West Lancashire at Waddecar on the 16<sup>th</sup> of May for the first County Rally of our New Century.

Each District has been allocated numbers and camping space based on the size of the District and the historical attendance at the Rally but early booking is recommended.

After reviewing the Rally's finances we have decided to hold the Rally fee to £12.50, the same as 2007. The camp fee includes all activities and the special 2008 Rally badge.

Car parking during the Rally can be a problem but has eased thanks to the continual improvements made by the Warden and the Crew. Following your booking you will be sent a car park pass. Passes are issued on the basis of 1 pass per 10 bookings (minimum 1 per Troop). It is intended that this pass is for the vehicle bringing your camping gear. Each pass is numbered and listed to the Troop to which it is issued. There will be additional details that will need completing before it is displayed on the windscreen. These passes are essential should an emergency occur and your compliance with car parking restrictions is appreciated. Only vehicles displaying these passes will be allowed on site. **On no account must vehicles be driven onto camping areas.**

Vehicles without passes will unload as directed by the Crew. Please advise parents dropping off and collecting Scouts of the arrangements. It is possible that vehicles may be unloaded on the roadside and the Scouts then walk into Waddecar.

Vehicles parked on any of the roads surrounding Waddecar will be subject to Road Traffic Acts relating to parking and obstruction. Please note that Lancashire Constabulary have in the past been interested in this aspect of our Rally and fixed penalty tickets have been issued. Vehicles parked on any of the roads or overspill car parks in the surrounding area are the responsibility of the owner and not the Rally organisers.

Please ask all who are providing transport to fill the vehicle with Scouts rather than family. Also to those collecting that tracing 1 Scout out of 900 is not the easiest of tasks, so please be patient.

Waddecar now operates waste segregation and recycling. All waste should be segregated and placed in the appropriate waste stream. Litter can be an issue at County Rally, so there will be waste bins around site – please use them. The Service Crew are not there to clear up after you.

Please be aware that Waddecar is at the end of a very long water pipe! Because of the numbers at County Rally please try to draw water during off peak times. Also try to ensure that none is wasted.

It is a condition of camping at Waddecar that all store tents, dining shelters and sleeping tents must have full ground cover to protect the grass from erosion. Failure to observe this good practice will ruin camping for those that follow.

**The Erosion, River Brock and the far bank are out of bounds and stone throwing is strictly forbidden.**

Scouts taking part in rifle shooting must have the appropriate written parental permission.

Open fires, barbeques or braais are not allowed due to the amount of canvas on site.

With the exception of Guide or Hearing dogs, dogs are not allowed on site

Leaders are expected not to leave before all members of the Troop have been collected on Sunday.

Each Troop must have a home contact that has details of all on camp and is available throughout the weekend.

We look forward to your booking and involvement with County Rally. Please return the booking form with your Rally fee before the 21<sup>st</sup> April.

**Bill Roberts**  
ACC Scouts

## 2008 COUNTY RALLY Booking form

This form must be returned to your ADC Scouts along with the full fees before the 21<sup>st</sup> April. Failure to do so may result in places being allocated elsewhere

GROUP NAME \_\_\_\_\_
